

Spring River Mental Health & Wellness, Inc. (SRMHW) Financial Responsibility and Fee Information

- SRMHW uses the Federal Poverty Guidelines to charge Cherokee County, KS clients on a scale, based on their household income and household size.
- We will need current financial information to determine where you fall on the sliding fee scale. This can be paystubs, tax returns, social security payments, disability payments, or any other income. We define household income as whom you could share a tax return with.
- Please be sure to provide proof of insurance if applicable.
- Your fees are based on your most recent financial information. SRMHW calculates your balance after applying insurance payments and the sliding scale.
- A list of services and sliding fee scale rates is included in your welcome packet.
- You may request a list of services and what they cost at any time.
- Traditional Medicaid, Medicare and Insurance: You are responsible for:
 - Non-covered diagnoses
 - Non-credentialed providers
 - Services beyond daily/annual limits
 - Full copays, deductibles, and Medicaid spend-downs
- Financial Hardship: Assistance is available for eligible clients. Applications are at the front desk.
- A new Financial Responsibility Form and updated income are required annually.
